**The City of Milpitas Contracts with
Terracare Associates to Provide Landscape Maintenance Services**

LITTLETON, COLORADO – Terracare Associates LLC has been awarded the contract to maintain the streetscapes and parks for the City of Milpitas, California. Milpitas is located in the heart of the Silicon Valley, west of San Jose and south of Fremont, California. Incorporated in 1954, the City of Milpitas has a population of 67,000, including 29 public parks.

Beginning on July 1, 2012, Terracare Associates will assume all streetscape and park maintenance for the City of Milpitas. Managing the streetscapes will include, tending to all landscape medians and roadway frontages within the city limits. In addition to maintaining the streetscapes, Terracare will also maintain 29 park systems and associated infrastructures, most of which were built in the 1960's and 1970's.

In effort to decrease the fiscal budget, the City of Milpitas sought out private contractor bids to outsource their landscape needs. Terracare Associates was selected based on an intricate scoring system created to consider crucial factors such as; experience, reputation, qualifications, references, and price. The professional team at Terracare Associates is looking forward to working with the city to immediately upgrade, and continually raise the standard of maintenance within the parks and streetscapes. In order to provide the best service possible, Terracare Associates will be opening a new branch in South Bay Area. They also look forward to the opportunity of continually expanding their services in the local vicinity.

Terracare Associates is one of the leading landscape and public infrastructure maintenance contractors in the Western United States. Based out of Littleton, Colorado, the company provides landscape maintenance and public works services to a wide variety of clients. Terracare Associates focuses primarily on comprehensive public works, landscape, and aquatic maintenance services. Currently, Terracare Associates maintains projects for several municipal clients including the cities of Brentwood, Oakley, and Lincoln, California, the cities of Lone Tree, Castle Pines and Centennial, Colorado, as well as the roadway agencies Northwest Parkway, E-470 Toll Authority, and Colorado Dept. of Transportation (I-25 HOT lanes) in Colorado. Previous municipal clients have included the cities of Lakewood, Colorado, Citrus Heights, Woodland, Folsom, and most recently the City of Roseville, California.
