**Cosumnes Park and Recreation District Contracts with
Terracare Associates to Provide Landscape Maintenance Services**

LITTLETON, COLORADO – Terracare Associates LLC has been awarded the city landscape maintenance project for Cosumnes Community Services District, located in Elk Gove, California. Elk Grove is a suburb of Sacramento located ten miles south of downtown. The city was incorporated in 2000 with a population of over 153,000 and is said to be one of the fastest growing cities in the United States.

Beginning May 1, 2012 and incorporating 47.19 miles, the Cosumnes Community Services District project will include street landscape maintenance of all city roads included within the city. Streetscape maintenance involves tending to all landscaped medians and roadway frontages. The Cosumnes Community Services District chose Terracare Associates based on their competitive pricing, technological capabilities, and their respected reputation in the landscape industry. Through the use of advanced technology the flow of communication will improve. Efficient communication will also enhance the progression in productivity of the city's streetscape presentation. Ultimately, these improvements will deliver an exceptional product for a better value that the taxpayers in the City of Elk Grove deserve. Terracare Associates is proud to be working within the City of Elk Grove in conjunction with the Cosumnes CSD, to provide the city with exceptional landscape maintenance services.

Terracare Associates is one of the leading landscape and public infrastructure maintenance contractors in the Western United States. Based out of Littleton, Colorado, the company provides landscape maintenance and public works services to a wide variety of clients. Terracare Associates focuses primarily on comprehensive public maintenance services, landscaping, and aquatic maintenance services. Currently, Terracare Associates maintains several municipal clients such as the City of Lone Tree and Centennial, Colorado and has handled many municipal streetscape contracts in the Sacramento region including Citrus Heights, Woodland, Folsom, and most recently the City of Roseville.
